Danny W. Rickard

Sgt Moore Et Al

Case No. 3:07-cv-270-MHT

Response TO SPECIAL Report..

- * On or about 1/18/07 I was arrested by the Russell Co. Police dept. at the County Hospital, I was brought to jail, I was beaten, my teeth kicked out & my hair cut off. Stripped and drug around naked in front of the female staff, I wasn't familiar enough with the CO's to have individual names!

DEFENDANTS

- * Sgt. PIERCE MOORE.. after being tacked down in the holding cell, I thought heard sirens so I got up went to the door, which opened at a touch I walked thru the door, turned & there was Sgt Moore all of a sudden there was more everywhere, & then he slapped me across the head with his steel baton, I instantly hit the floor begging him (Sgt Moore) not to hit me again.

2

But he didnt stop and I was backed all the way down the hall into a broom closet where I was pulling the door trying to close it to no avail, he kept his lit bar between it so it wouldnt close it passed out then, when I came to, Sgt Moore was still on my back spraying mace trying to hurt me more. I was then drug out thrown on the floor & he continued to hit me with that bar trying to get me to walk.

* Go Wayne Smith (Don't have his statement)
 * Go Steven Worst was called in to help and they & Sgt Moore picked beat me, especially on my knees trying to get me to walk, drug me out & thru me in the back of the van!

* Deputy Tim Watford on return from hospital drug me across the trunk of his car & stated as he pushed my head into his trunk if I spoke another word he would quite knock the other side of my head off. I was drug in the jail Stripped again & STUCK in the holding cell.

(3)

* Nurse Tina Riley After all the incidents occurred up front the Nurse Tina Riley took over my medical needs, except when Dr. Warr, would order my blood pressure checked or temperature taken.

I complained of these head aches I was and am still having, loss of memory, nervousness and 3 major seizures.

When I told Mrs Riley about these she got concerned but still I received no other medical assistance. I am frightened to what extent this may end up being after I am released, who will take care of my Medical bills or my dental bills, Because they will not take the responsibility of them now.

Wayne Smith was called out to help Sgt Moore trying to keep me from locking my self in the broom closet. Was along for the hand cuffs & taking to the Van!

I Danny Pickard swear that the above statements are true and I am competent to make this Affidavit DW Pickard
